Enter Screaming...

Welcome to the first issue of SCREAM BEAT magazine. We decided to produce this special magazine for you when we were faced with the problem of what to do with so many outstanding photographs that we still had not used from many of our exclusive photo shoots for SCREAM QUEENS ILLUSTRATED magazine and our SCREAM QUEENS trading card sets. So we decided that we would produce this exclusive ALL PIN-UP , ALL-NEW PHOTO issue rather than just publish a yearbook filled with reprint material from past issues. These aren't any old reject photos. They haven't been used yet because we just didn't have the space anywhere else. The magazine is supplemented with additional photos that we have been able to acquire from several film producers across the country. We've set aside any feature articles for this special magazine, but don't despair... you can still find all the entertainment you need in each and every issue of SCREAM QUEENS ILLUSTRATED! And don't forget to check out our newest publication, MAKING MOVIES. So sit back, relax and begin your journey through the pages of SCREAM BEAT magazine as we present you with outstanding FULL PAGE, FULL COLOR PHOTOS of more than thirty-five of your favorite Scream Queens and Fantasy Girls. □
